## Policy Statement

Sandwell Valley School and Sandwell Community Care Trust Training welcomes students of all faiths, cultures, races and family backgrounds. We are happy to admit a student with a disability as long as both parents and school conclude that we can provide appropriately for the child's specific needs. The school seeks to ensure that disabled prospective students are not treated less favourably or unfairly in the admissions process and will take reasonable steps to avoid putting disabled students at a substantial disadvantage in matters of admission.

Sandwell Valley School and Sandwell Community Care Trust Training welcomes applications for admission from all sections of society and is non-discriminatory in line with the Equality Act (2010) and Equal Opportunities Policy. It includes inappropriate discrimination on the grounds of: gender; age; religion or belief; physical ability or disability (including HIV status); learning ability; other special educational needs or academic or sporting ability; race (including colour, nationality, ethnicity, family, cultural or linguistic background); marital status and civil partnership; sex; sexual orientation; trade union membership; part-time and fixed-term working; gender reassignment; pregnancy and maternity. These factors are taken into account in the care of our community members so that care is sensitive to different needs.
